## **Mrs. Carty Returns from the ACE-ASIA - Asian-Pacific Regional Aerosol Characterization Project!**

---

Welcome to the culmination of this exciting journey with Stetson Middle School science teacher, Susan Carty. Susan embarked on the adventure of a lifetime, and we know that you will enjoy hearing about this great experience. Susan was the Teacher At Sea participating in the research experiment ACE-Asia with scientists from all over the world from March 14th to May 5th.

She ends her journey where the story began...West Chester!
